

Congratulations to you all! You are forcing us to make some very tough decisions with your preparation, enthusiasm, and risk taking. It is clear that you all care immensely, and that encourages us. Well done! Thank you for sharing your hearts and voices with us – that is a privilege we do not take lightly.

We would like to see/hear from the following people after school on Friday, December 1<sup>st</sup>. Please read this list carefully, as you may be called back for roles other than the one(s) we heard you sing initially. And if your name is not on this list, **it does NOT mean you are not in the show!** It simply means we have heard all we need from you to make good casting decisions. No matter what, please pat yourself on the back for preparing well, being courageous, and putting yourself out there. We are very proud of you!

~Production Team
