

We say this each time, but we mean it sincerely: we are so proud of all who auditioned and who worked so hard, giving so much of themselves to this audition process. We were truly moved by the beauty of what you all shared with us. Take a moment to congratulate yourselves for being courageous and accepting the challenge this process presented. Additionally, take a moment, whether you are happy or sad or excited or confused by these results, to sit with your emotions and process them before you engage with the internet about it. Be mindful of your words and how they may affect others. As always, we encourage you to wait 48 hours before contacting us with any questions you may have. We are happy to discuss your own audition/result with you, but we will not discuss any other student's casting with you. You made it extremely difficult for us, but we are confident that we have a stellar cast and that this will be an amazing show. Having strong leads and ensemble members will create a truly top-notch high school production! Congratulations; now, to work! **If your name is below – you have action items to complete tonight. Please see below and complete them today.**

Cast,

Please complete the following tasks right away – we do not want to chase people down for things like this. Part of being selected for this, is upholding your responsibilities as to not create additional work for us. Please do not take it for granted and get it done! Thank you!

Please complete the following tasks:

- Remind101
- Bios
- Bring your binder pencils, highlighters, etc. on Tuesday to the read through
- Headshots 3:30pm on Thursday
- Other days/times TBA

Remind101: Please sign up for the Remind101 right now. We are deleting the other Remind 101 and only using this one, so if you are not on it, you will not receive messages. Send a text to **81010** that says: **@cvhslw** – Please share with your parents, as well – if they are involved/interested.

Bios: Your bio is due Tuesday. Please complete it by clicking here (make sure you are logged in with your school email address or it might not work...but it makes it easier for us!) Click this link to access the bio form: <https://forms.office.com/r/fZ2jFydmWM>

Rough Schedule:

- **This Tuesday – December 5** is our read-through rehearsal. Please come with an empty binder, pencil(s), highlighters, tabs, etc. Whatever you think you will need to give yourself the BEST kickstart to our process. Maybe a note-pad? – Remember – complete your bio and make sure you are signed up for Remind 101 before then!
- **This Thursday – December 7** at 4:00pm – Headshots. You can stay after school on Thursday to get ready or work on the show...we will be on stage for choir soloist rehearsal...so you will be getting ready in the choir room dressing rooms. You are welcome to work on your lines, songs, etc. or get ready for headshots, while we rehearse, but you must stay in the choir room/no wander the halls.
- **This Friday – December 8** – Please try to keep this day open for now. We will let you know ASAP if we need you. We might get a head start on some ensemble music and/or other tasks to set you up for a good few weeks of practicing. Hope to tell you by our Tuesday read-through...but wanted to post this list asap!
